<b>Discussion notes</b>	<p>On Sep 5, 2014, <b>Brian DePouli</b> wrote:</p> <p>All, A while back I ran into Joe Bortz at Hershey (if you don't know Mr. Bortz see here <a href="http://www.bortzautocollection.com">http://www.bortzautocollection.com</a>). We struck up a conversation and he is interested in bringing the 53 Buick Wildcat to one of our BCA National meets (there is a catch). Initially he requested we fund the transport of the car. Long story short we have continued chatting and I believe there is a scenario where we could get the car to the 2015 Springfield Meet at minimal cost to the club and thus I wanted to share it with you and get your opinion.</p> <p>Joe has reached out to Passport Transport and they are willing to bring the car at no cost in return for:</p> <ol style="list-style-type: none"> <li>1. "some" free advertising in the Bugle (where they could potentially convince other to transport their car to the meet).</li> <li>2. Be a Meet sponsor with advertising in the program</li> <li>3. Let them park the transporter in a visible spot at the show as a form of advertising.</li> <li>4. Two meals at the awards dinner</li> </ol> <p><b>Keith wrote:</b></p> <p>Did we pay anything in South Bend for the Wildcat II replica? He asked for similar things. The discussion was that the club or meet paying expenses would cause hard feelings to enough members to have a lingering bad taste in their mouth. I remember asking some of the volunteers at a meeting in Iowa well before the show about the topic. The initial excitement was replaced by a concern why we would pay someone to bring a car.</p>
