

National Meet Committee Minutes
7PM September 25, 2016

All members present except Jack Welch
Joining the call: Pat Wojahn and Pete Phillips

The August 2016 Minutes were approved

2017 Bob Starzky undated the committee on Brookfield. They are encouraging the GS Club to meet with them, and the fee would be our member fee plus \$5. The GS Club would be participating at a performance track. Brian Clark cautioned about the possible liability for the BCA. Alan Oldfield is to look in to this for the Club.

2018 Denver - June 19-23-2018. Kirt Priest reported the host Hotel would be the Marriott. The subject came up of having concept cars. It was concluded that there is no chance with GM. The Sloan was a possibility, but the Club would be absorbing all costs estimated to be up to \$4,000.

2019 Pete Phillips reported on a possible Meet in Oklahoma City. It would have to be in the month of May with the North Texas Chapter and sharing with another club. Points of interest would include Rt 66 and it's museum. There is a very large salvage yard in nearby Enid, Ok. The BCA Car Show would be on Friday with all "makes" being there on Saturday. Peat would chair the Meet. Roy and Stoneberg have offered to help.

Committee Reports:

Rules: None

Budget: Gross income for Allentown: \$160,000. Expenses: \$158,000. One of the higher costs mentioned was Golf Carts @ \$16,000. Complete Income and Expenses will be reported by Bill at a later date.

National Meet Committee: Oklahoma very interested to host a Meet in 2019. NE Ohio is another possibility for 2019.

No interest from Nashville or Atlanta.

Next Call: October 16th, 7PM
Adjourned 7:55

Bob Safrit Sec
