

National Meet Committee Minutes
7 PM October 16 2016

All members present except Chuck Kerls & Roy Faries
Joining the call were Lonnie Priest & Dave Wojahn

John Steed called the Meeting to Order

The September Minutes were approved

2017 Bob Starzyk reported 180 reservations received at the host hotel, which has blocked 225 rooms for the BCA. The T-shirts are delayed due to lack of co-operation by a previous vendor. Brian Clark will follow up. Elizabeth Lane will be in charge of the magazine.

2018 Kirt Priest reported that the Meet logo now being used is the front of a '29 Buick with blue and white colors. The Meet dates are June 19th -23rd, with a "kick off" after the 2017 Meet. Information will be put on a web site prior to June, with full information in the July Bugle.

2019 Reviewed what we had received from Pete at the last call, and discussed what we need to know before making a decision

- 1 How much help will the two Texas Chapters be?
- 2 Will the church parking lot be satisfactory to vendors?
- 3 Expected size of the Meet?
- 4 Who will supervise tours? (And places of interest)
- 5 Location of Banquet (Saturday PM). Judging on Friday- Will many leave ?
- 6 Is there a hotel that could accommodate all of our needs?

2020 NE Ohio will consider a National Meet

Final accounting for Allentown not complete.

Next Call: November 20th 7PM
Adjourned 7:58

After the meeting Roy Faries sent the following update: The only input I have for the 2017 meet is that registration is up and running full time now. I got the credit card machine from the national office and it is operating properly. Checks are being deposited as they arrive, I have made all the changes to the registration program for next year and I am all caught up with entries and confirmation letters. We have 12 registrations at this time. Attached is the typical tally sheet that is generated by the program. I can print it at any time, but I typically print it on a weekly basis once registrations really start coming in. I will print it daily during the weeks approaching the show. This is what is used for all counts.
