

The **Hagerty Test Garage** will launch on July 29th at the Buick Club Celebration! Youth, ages 12-18, are invited to test a variety of automotive skills through a fun, hands-on program that highlights design, documentation photography and pin striping. Subject Matter Experts will introduce and lead engaging demonstrations and an activity. Participants will take home their finished projects including a pinstriped notebook, photography sample set print and a design sketch.

- Date: Friday, July 29th
- Time: 1-4 PM
- Location: HVA Documentation Lab
