Here are 8 excellent reasons why you should plan to...

Get your kicks

at the Buick National Meet Midwest City, OK • June 12-15, 2019

1 BUICKS, BUICKS AND MORE BUICKS

The Buick National Meet is the largest gathering of great vintage Buicks in the country and that's what you'll see! All makes and models — some in need of repair, others perfectly restored, some jazzed up with muscle, others as original as it gets, some driven and some trailered. All of these cars have one thing in common: The owners love them and we, at the BCA, welcome any and all of them to the BCA meet in Oklahoma!

2 MEETING OLD & NEW FRIENDS

This is the one and only time the BCA has a national get-together to be with old friends and to celebrate our mutual interest in vintage Buicks. It's also a great opportunity to make new friends and learn about Buick models you might not have previously been interested in. How about offering a new member a ride on one of the driving tours or invite someone new to have dinner or a beer with you? Give a kid at the meet a chance to sit (or ride) in your vintage automobile. This short time together each summer is all about FUN - so come join us in the celebration!

3 TAKE YOUR VERY OWN VEHICLE

If you want to have your car judged by people knowledgeable about Buicks so you can find out what might be corrected at some future time — this is a GREAT opportunity to do just that. If you have worked hard and spent money to make your Buick the best it can be, want to have it judged, and hopefully win an award — GREAT! And if you only want to relax, sit beside your car under an umbrella sipping on a cold drink, gabbing with friends all day — that's GREAT too!

4 SWAP MEET EXTRAORDINAIRE

There will be a vast amount of old Buick parts that are for sale in the swap meet portion of the meet. This might be the largest selection of old Buick parts for sale at any meet anywhere, so come prepared to shop and buy!

5 BUICKS WERE MADE TO BE DRIVEN (on tours)

TWO driving tours are offered that require only two things: a car and a driver. Wednesday's tour is a short drive to the historic town of Guthrie, Oklahoma's first capital. You'll find restored

Registration forms for the 2019 National Meet are available in this brochure, on the *Bugle* cover wrap and BCA website: www.buickclub.org

heritage buildings and unique vintage shopping opportunities. Friday's tour is a drive on **Route 66** through a short area of Oklahoma. Neon signs, old gas stations and bucolic scenery await you, so bring your car and some friends and experience the "Mother Road". Only \$5 and you also receive a color guide and map to help navigate each of the driving tour routes!

6 THINGS YOU CAN'T SEE ANYWHERE ELSE (bus tours)

We know it's really fun to drive your own Buick and we encourage you to explore the area on our own, but sometimes it's nice to just sit back in an air-conditioned comfy seat and let someone else do the driving. Because of distance or big-city navigation, we are offering three bus tours — each one unique and interesting:

- **Oklahoma City:** It's only a short drive away, but might be much more relaxing for a bus to drive you from spot to spot in this major city. Visit the beautiful and very memorable **National Memorial and Museum**, which honors the victims, survivors, rescuers and all who were affected by the Oklahoma City bombing on April 19, 1995. Tour the historic **Automobile Alley** district, which contains numerous heritage buildings that were once home to prestigious automobile dealerships. Lunch will be served in the historic **Buick Building**. This tour will be offered on Wednesday, Thursday and Friday.

- **Bud's Auto Salvage and 1894 Sod House and Museum:** Thursday's tour is designed for anyone who loves history and old cars — and it's truly a unique opportunity! Take a bus ride for the 2+ hour drive north to Aline, OK. **Bud's Auto Salvage** has one of the largest (60 acres!) selections of cars, trucks and parts in the midwest (*read about Bud's Salvage in the March 2016 Bugle*). Lunch will be served by the local women. Afterwards, tour Aline's original **1984 Sod House and Museum**, which has exhibits, artifacts, photographs and a root cellar portraying the daily activities of the early-day pioneers.

- **Annual Modernism Festival:** This weekend festival in Oklahoma City celebrates mid-century furniture, fashion and accessories. It is a very popular event every year, and we are fortunate that it falls on our BCA National Meet weekend. Learn more about this period by attending the Friday evening **Modernism Mod Market Preview, Fashion Show and Lecture** and take a separate trip to attend the **Modernism Festival** on Saturday morning. Both events are held in the St. Patrick's Catholic Church.

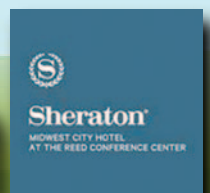

7 PARTY TIME & SUPPORT OF BUICK HISTORY

Buick Club of America (BCA) Banquet: Saturday's banquet is a wonderful time to spend the last night with old and new friends. In a relaxed atmosphere, members can socialize, share a drink, a meal and lively conversation. It is also when we recognize the 2019 award winning Buicks of the meet.

8 ROUTE 66 before and after TOURS

If ever there is a perfect time to drive the "Mother Road" — this is it! Start planning now for a before or after trip during the 2019 meet. Route 66 winds from Chicago to LA — more than 2,000 miles all the way. Plan a major trip of the whole route or drive only a short segment. Either way, get hip to this timely tip — when you make that Oklahoma trip, get your kicks on Route 66!

Where to stay?

If you are planning to come to the 2019 National Meet in Oklahoma, the first thing you should do is make hotel reservations! Although there are plenty of alternative hotels in Midwest City, our host hotel is the **Sheraton Midwest City Hotel at the Reed Conference Center**. The hotel's Emerald Restaurant is open for all-day dining (6:30 AM - 11 PM), features a full bar, and room service (during limited hours). A complimentary full breakfast buffet is offered to BCA members who are registered at the hotel. There is also an outdoor courtyard, outdoor walking/jogging path, indoor heated pool/spa and a 24-hour fitness center. Plasma TV with premium channels, wireless WiFi internet, pillowtop mattress and much more is included in each room. Additionally the hotel has complimentary self-parking and airport transportation (for an extra charge).

The BCA show field will be held on a nearby parking lot. All meetings and Saturday's BCA banquet will be held at the Reed Conference Center, so the Sheraton is a very convenient place to stay when you are at the 2019 BCA national meet. There are many nearby restaurants and other activities of interest in Midwest City so we hope you will explore the town while you are at the meet. When making reservations at the Sheraton, **use code "BCA 2019 Meet" to receive a special rate of \$119.**

What to do ?

IN MIDWEST CITY, OKLAHOMA

We think the most fun thing you can do at the meet is to stay at the Sheraton, take advantage of the BCA organized tours and hang out on the show field admiring beautiful Buicks. But when you want to get out and explore the area, eat in local restaurants or escape to soak in some Oklahoma culture, there are many interesting things to do that are only minutes away — right in Midwest City. Though the city is the 8th largest city in Oklahoma, there is a very warm friendly small-town feel to it. It's easy to get around with a very helpful tourist bureau available for advice, maps, etc. So branch out, give your support to the local businesses and enjoy the hospitality of this great Oklahoma city. When in Midwest City, you can get information and help at the **Midwest City Convention & Visitors Bureau** located in the Midwest City Welcome & Information Center at 7200 SE 29th, 405-739-8239. Or visit the website at **visitmidwestcity.com**.

BRICKTOWN

What was once a warehouse neighborhood has been restored, becoming the destination for people looking for fun and entertainment. Stroll along the pedestrian canal, enjoy live music, cheer on a favorite sports team, sit down for a great meal or dance the night away. You can easily spend an afternoon exploring it all. There are far too many things to do in Bricktown to list here, we will focus only on a few.

- Water taxi - Cruise the mile-long Bricktown Canal on a water taxi. The 40-minute trip is a relaxed way to tour through Bricktown, from the eastern edge of downtown all the way to the northern edge of the Oklahoma River.
- American Banjo Museum - history of the banjo with more than 300 instruments. Be sure to play the banjos before you leave.
- Brickopolis - family-friendly miniature golf, laser tag, and arcade games
- Harkins Cinemas 16 - modern multiplex chain showing blockbuster movies
- Chickasaw Bricktown Ballpark - ballgames!

unassigned lands of Oklahoma Territory to stake their claim for free land. Over two million acres in Oklahoma had previously been measured out by the government. To commemorate the 100-year anniversary the largest series of sculptures in the world was built. It consists of 47 statues spread across a distance of 365 feet. All are cast in dark bronze, at one-and-a-half life size. There are 38 people portrayed, 34 horses, three wagons, a cannon, a dog, and a jackrabbit! It is quite a major, remarkable and memorable outdoor exhibit and though the Bricktown water taxis ride by the statues, they are best viewed on foot.
